Conferencing at Cape Milner

The Cape Milner is offering some exciting packages this winter for all of our corporates. We jazz up the breaks with exciting additions like hot chocolate and mini marshmallows and home made soup and breadsticks; and we offer delicious treats in the form of buffet and 3 course set lunches. Contact Jo at confer@capemilner.com for more details.

Social Responsibility

The Cape Milner has had the opportunity to touch the lives of others this past month. Through two charity auctions, one held on-site one off, we have been able to raise almost R40 000 for those less fortunate than ourselves.

- Tamboerskloof Street Golf, held at Cape Milner on the 5th of May, by Escape Events, raised R15 000 for the Homestead Projects for Street Children. The donation by the Cape Milner of a weekend for two raised R2 800.

- Go for Gold, a NPO educating underprivileged students, held their annual fundraiser on the 26th of May and raised a massive R700 000. The Cape Milner donated a breakfast for 10, which will be attended by two players from the Super 14 finalists, the Vodacom Stormers. This donation raised R35 000. The winners were Grinaker LTA, the photo alongside shows the winning bid taking place.

The Milner Club

For those of you who are unaware, the Milner Club is a network of our Capetonian regulars, specially invited to join a network of customers of No 2 on Milner who qualify for all sorts of special deals and discounts and receive updates on all events, before anyone else.

If you would like to apply please contact Niall on fandb@capemilner.com

“Queen Roz” Wetherill, one of our founding members, had her birthday on the 7th May. Happy birthday Roz, we hope you had a good one!

Whats on in Cape Town:

With the soccer around the corner, Cape Town has become abuzz with the final preparations for the big tournament. We are excited to see what happens and wish our boys the best! Go Bafana!

The Wheel of Excellence: In anticipation for the world cup, the V&A Waterfront has launched the Wheel of Excellence, Cape Town's answer to the London Eye. Take a trip on one of 36 air-conditioned cabins for only R70pp and experience a 20 minute round trip offering panoramic views of the entire Mother City.

In another stroke of what some may call genius (and others suicidal!) Hyundai has mounted an enormous vuvuzela on one of Cape Town's unfinished bridges. Rumour has it that this giant trumpet will sound every time a goal is scored anywhere in South Africa until the end of the Cup!

*Best Wishes,
Murray, Niall, Trevor, James and the Cape Milner Team*
